Cosmic Films

[www.vimeo.com/cosmicrockstar/videos/](http://www.vimeo.com/cosmicrockstar/videos/)

I have directed and produced documentary films, commercial content, and music videos for a range of corporate clients, NGOs and non-profit organizations, including the following highlights:

- *Voices of the Forest*: Project Management and content director for documentary series commissioned by RECOFTC, a global NGO focusing on the intersection of human rights and environmental sustainability in developing nations.
- *Stories of Change*: Project Management and content director for documentary series commissioned by Tostan, a Senegal-based NGO focusing on women's rights in West African nations.
- *Pushing Buttons*: Executive Producer of eight episode web series
- *Racing Dawn*, a documentary short produced for the Apache School District that highlights stories of hope and inspiration among Apache youth
- *Space for Understanding*, a documentary short produced for an NGO that brought Israeli police officers to Los Angeles to learn lessons about community engagement
- *Wasted*, a documentary on dumpster diving and the Freegan movement
- Online content for 2011 and 2013 Grammy Awards
- *Among The Trees*, a feature documentary on the reunion world tour of hip-hop legends Arrested Development
- Dozens of music videos for artists including The Spooks (Koch Records), Floetry (Geffen Records), and Arrested Development (EMI)
